In a futuristic world of the late 21st century, an ageing woman and her girlfriends decide to share the same man. Millions of men have renounced relationships in favour of robots. But most women still crave relationships with real humans. Meet Angelique: her friends think she's nuts - and they're not far wrong. She decides to share her man with her best friend. Then her best friend meets a sensual woman in her 70s, with a fetish for domination. What ensues is a crazy series of adventures (and misadventures). It all escalates when Angelique meets a shy, submissive woman who wants to break out of her shell - someone who can become her slave.
